16:30	Prep
17:20	End of Prep, tidy up and get ready for tea
18:00	Tea
	Latest time for day students to be collected

**Be punctual for everything – Be organised!**

# Junior Prep J5 – J6

Prep for Juniors is held in the Department from 16:30 – 17:20. All pupils who have stayed for activities are expected to attend unless they are collected by parents at 16:30. They should arrive at 16:30 in order to gather their books and sit down ready to start. Prep sessions are fully supervised and pupils are then accompanied to the Refectory for tea. A staff member is on duty until 18:00 at which time all children should have gone home.

Pupils are expected to work silently during prep. Verbal warnings are given to those who misbehave or prevent others from working and parents may be asked to take their child home early if poor behaviour persists. Prep usually consists of work linked to a lesson covered that day or preparation for the next day. If work is completed early, pupils should read quietly.

## Pick up times

Normal end of day	15:30
End of an activity	16:30
End of Prep	17:20
After tea	18:00

# Health Centre

Monday – Friday:	08:00 – 20:00

# Pupils' Brief Guide

## **Sidcot School Code**

Everyone is responsible for promoting the exemplary atmosphere, relationships and quality of life at Sidcot.

- 1 All members of the Sidcot community are expected to be sensitive, co-operative, and to show courtesy, consideration and respect for one another.
- 2 We do not tolerate any behaviour intended to hurt, injure, threaten, frighten or make fun of others.
- 3 We share responsibility for the school, the community and the environment: we ensure that the school is clean and litter-free.
- 4 We are responsible for our personal belongings. We respect one another's property and school property.
- 5 We carry out school commitments punctually and thoroughly.
- 6 We do not use, abuse, or possess solvents, illegal drugs, alcohol or tobacco.
- 7 We respect the school rules on school premises, during school hours, to and from school and on school outings.
- 8 We use peaceful mediation to solve difficulties. Violence is not an option.

## **General Conduct**

- 1 Instructions given by members of staff on duty should be carried out quickly and eagerly.
- 2 In congested corridors, please walk on the left.
- 3 Ball games must not be played indoors, except for pool or table-tennis. Football may be played only on the netball court or the top playground.
- 4 Chewing gum is not permitted in School since it is extremely difficult to remove from furniture and fabrics.
- 5 Aerosols, Tippex Liquid, and other products containing solvents are not allowed at School.

- 6 If damage to the premises or furniture occurs it should be reported to the teacher on duty at once and to House staff as soon as possible. Those responsible for damage will usually be required to pay.
- 7 The payphone in the quad may be used by pupils in their free time. Mobile phones may be used outside the school buildings only.
- 8 During lessons, prep, assemblies, tutor periods and other directed school time mobile phones must be switched off.
- 9 The front door to the main building may only be used by Sixth Form. However, pupils in other year groups waiting for visitors or transport may use the front door.
- 10 Privacy in comfortable surroundings is available in the Drawing Room opposite Reception, and in the Old Library should it be required when parents or guardians are visiting the School.
- 11 The Libraries, Garden, and Meeting House are 'Quiet Areas'.
- 12 Behaviour around School is expected to be consistent with that of an office or similar work place. Public displays of affection such as kissing, holding hands, cuddling are not acceptable behaviours in a school environment.
- 13 English is the common language of Sidcot. Language should always be used to promote communication, and never to exclude individuals or groups.
- 14 Ipods and MP3 players with earphones may be used only by the Sixth Form and only in their studies.

## School Grounds

- 1 The "Island" is the area occupied by the main School buildings bounded by Oakridge Lane, Fountain Lane and the A38. All areas outside it are out of bounds during lessons.
- 2 Tom's Field and the 'Combe' are in bounds 12:55 – 13:55, 15:45 – 16:40, 18:00 – 19:00 for Fifth and Sixth formers going on a country walk and you must go in groups of three or more. However, the Combe is out of bounds whenever the Science block clock tower is illuminated. The clock is lit at dusk. Keep well away from buildings, animals, and gardens. The public footpath across Tom's field is not to be used and the stile with gate at the top of the field is out of bounds. Use the other stile at the top of Tom's field near to Newcombe. The fields beyond the copse/Combe above Tom's Field,

including 'slippery steps' at the second stile are out of bounds. The path to the Junior School opposite the Headmaster's house is out of bounds at all times.

- 3 Beyond Combe House, Oakridge Lane and the roads are out of bounds. Lower Fifth and younger pupils should use the footpath through the car park, and not the road to and from Combe House.
- 4 The Dring is out of bounds. This is the lane between the Sports Field and the Houses on Sidcot Lane.
- 5 The garden is open to all in free time until dusk. It is a place for reading or quiet discussion. Games, running and jumping and shouting must be confined to the playground.
- 6 The area of the Meeting House is a quiet zone. We respect the religious significance of this area. The Small Meeting House, the rear of the Meeting House and the burial ground are out of bounds unless special permission is given by the teacher on duty.
- 7 You may not remain on site during the times when the School is closed without specific permission.

# Term Dates 2011
