

Sidcot

Sidcot Swim School

Your local swim school in Winscombe

Open to all ages
Individual or group lessons
ASA nationally recognised levels

Introduction

Sidcot School is proud to offer our swimming school to the public. Open to all ages in the surrounding area, there are lessons to suit all levels of ability.

Lessons will follow the National Plan for Teaching Swimming. This means that swimmers will work through a series of nationally recognised levels.

For more information about the NPTS visit www.britishswimming.co.uk and look under the teachers and coaches section.

We offer high quality teaching in an excellent pool, which is ideal for all levels.

We can also offer the luxury of one-to-one lessons where required. For further information on adult or individual sessions, please contact James Anderton on 01934 845255.

How to book

At Sidcot Swim School we like to keep class sizes small. This allows each swimmer to have more teacher time, giving a better chance to progress through the stages. Our classes consist of a maximum of 6 swimmers to one or more teachers and last for 30 minutes.

Book your place now and benefit from qualified and experienced teachers in a spacious and impressive swimming environment, set in the attractive grounds of Sidcot School. Sidcot Swim School also has a direct link with Sidcot Swim Club to which swimmers are invited once they are ready.

To book your place simply contact James Anderton at Sidcot Sports Centre.

Prospective Swim School members may need to attend a swimming assessment session so that we are able to place swimmers on the correct level to start.

Price

Each lesson costs £6 for a 30 minute session, and payment is due per term.

Please note: The number of weeks in a term can vary, which will affect the payment due each term.
