

Sidcot School

Job Description and Person Specification

Teacher of Mathematics

The School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

Job Title	Teacher of Mathematics
Summary of the role	To implement and deliver high quality teaching to students which provides students with the opportunity to achieve their individual potential whilst guaranteeing internal and external quality standards.
Line management responsibility	N/A

Duties and Responsibilities

Teaching	<ul style="list-style-type: none">• Promote and safeguard the welfare of children and young persons for who you are responsible and with whom you come into contact.• Identify and adopt the most effective teaching methods, which will stimulate learning appropriate to student needs and the demands of the syllabus.• To plan and deliver consistently high-quality Maths lessons whereby students are given opportunities to be creative, be independent learners, use ICT and develop their skills practically.• To mark students' work regularly and consistently using WWW and EBI and provide relevant, specific targets and constructive advice on how students can improve.• Work with colleagues to promote the stretch and challenge of all students, including the most able.• Ensure a high-quality learning experience for students, which meets internal and external quality standards.• To use the Sidcot Learning Wheel as a basis for planning and delivering lessons, so as to provide our students with a breadth of skills and values.• Fully incorporate the use of IT within lessons.• Assess, record and report on the attendance, progress, development and attainment of students and keep such records as are required.
-----------------	--

	<ul style="list-style-type: none"> • Provide or contribute to oral and written assessments, reports and references relating to individual students and groups of students. • Undertake assessment of students as requested by external bodies, departmental, faculty and school procedures. • Prepare and update subject materials. • To attend regular Maths department meetings. • Maintain discipline in accordance with the School's procedures and encourage good practice with regard to punctuality, behaviour, standards of work and homework. • Ensure the health and safety of students and undertake risk assessments as appropriate. • Provide extra-curricular and co-curricular opportunities throughout the School to allow students to gain self-improvement at all ability levels. • Meet the Teachers' Standards as appropriate. • Undertake such other comparable duties as the Headmaster requires from time to time.
Communication	<ul style="list-style-type: none"> • Communicate effectively with the parents/guardians of students as appropriate including attendance at parent consultations. • Where appropriate, communicate and co-operate with persons or bodies outside the School.
Operational and strategic planning	<ul style="list-style-type: none"> • Assist in the development of appropriate syllabuses, resources, schemes of work etc. • Contribute to the department's development plan and its implementation. • Plan and prepare courses and lessons. • Work with colleagues to ensure that the curriculum area provides a range of teaching which complements the School's strategic objectives. • Assist colleagues in the process of curriculum development and change.
Marketing	<ul style="list-style-type: none"> • Take part in marketing activities such as open days. • Contribute to the development of effective subject links with external agencies.
Staff Development	<ul style="list-style-type: none"> • Participate in the School's further training and professional development. • Continue personal development in relevant areas including subject knowledge and teaching methods.

	<ul style="list-style-type: none"> Engage actively in the School's performance management process.
General duties	<p>A general contribution to the work of the rest of the school across the ability and age range is expected. There is considerable emphasis on "extra-curricular" activities at Sidcot, and some day, evening and weekend duties are required from all main professional grade teachers. All staff are expected to offer at least one extra-curricular club, society or activity, and to undertake some evening duties, as well as a share of the weekend duty and activity responsibilities (currently the equivalent of nine blocks of four hours per year each for full time staff, subject to review). Main professional grade teachers will have a tutorial group and a share of cover arrangements for absent colleagues. These duties are included in the Sidcot salary scale and they are carried out pro rata by part time staff.</p>
Line management duties and responsibilities	N/A
Remuneration	<p>A competitive salary is offered on the Sidcot scale and is dependent on relevant qualifications and teaching experience. Remuneration is paid pro-rata to part time teachers. The children of staff may be educated in Sidcot Junior School and Sidcot School at reduced rates, subject to satisfying our standard Admissions criteria.</p>

You may also be required to undertake such other comparable duties as the Head or your line manager requires from time to time. For the avoidance of doubt, the duties and responsibilities contained within this job description may change from time to time according to the requirements of the role and it is not intended to have contractual effect.
