2. **Year 10 Work Experience Week** - (27th June – 1st July) All Year 10 students are expected to take a week of work experience during the dates above. This can also include volunteering which can help students develop crucial soft skills. Your support is invaluable as they are required to find the placement themselves. Boarders are also able to do the placement close to home or near a guardian. It is key when contacting potential employers to highlight the dates of work experience, a number of schools in the area are doing work experience, however, they have different dates. Should you have any questions, please don't hesitate to get in touch. Also, if you would like to chat about what offering a placement could entail, or offering a placement to another student please do get in contact. With thanks, Alison Pike - Head of Careers

2. Once the students have found and confirmed a placement with an employer we request that you fill in a Sidcot Parent and Student Work Experience Microsoft form, <https://forms.office.com/r/Lz3tZAaxzn>

The extended deadline for submission is Wednesday, 6th April 2022.
