1 Statement of Intent

1.1 The Governing Body and Senior Leadership Team of Sidcot School fully recognise their responsibilities to safeguard and promote the welfare of children and to work together with other agencies to ensure adequate arrangements within the School to identify, assess and support those children who are at risk of suffering harm or who are suffering harm or in need of help. Safeguarding is everyone's responsibility. This policy forms part of the safeguarding suite of policies.

1.2 The aim of this policy is to set out the procedure in the event that a child is not collected by an Authorised Adult at the end of a session/day.

1.3 An Authorised Adult is a parent, friend or relative who has been appointed by the child's parent or guardian on the school's registration form.

1.4 Our policy ensures that the child is cared for safely by an experienced and qualified practitioner who is known to the child. The School will ensure that the child receives a high standard of care whilst awaiting collection in order to cause as little distress as possible.

2 Scope and Distribution

2.1 This is a whole school policy with references to the junior school and senior school as appropriate.

2.2 This policy is available on our website and in hard copy form free of charge to inform parents and carers of our procedures so that, if they are unavoidably delayed, they will be reassured that their children will be properly cared for.

3 Expectations of Parents

3.1 All parents are asked to provide the following specific information which is recorded on the online "Annual Consent".

- Home address and mobile / home telephone numbers including 2 emergency numbers for those with parental responsibility

- Written details of the name, address and telephone number of the person who will be collecting their child on occasions when parents or the persons normally authorised to collect the child are not able to collect the child, they provide us with. Parents will agree with the School, as to how the School will verify the identity of the person who is to collect their child.
- In the event that parents are not able to collect their child as planned, they must inform the School so that back-up measures can be put in place, Parents are provided with our contact telephone number on the website, in the Blue Book and on all correspondence.

-

4 Procedure for Uncollected Children – Junior School

4.1 We expect children to be picked up promptly at the end of the school day, or at the end of activities where these have been pre-booked. If this does not occur we will assume an emergency has caused the delay and will instigate our procedure, unless parents contact us to let us know they will be delayed.

4.2 Parents of children who will be collecting their children more than 15 minutes later than our finishing time (3.30 pm for Early Years and Key Stage 1 children, 3.40pm for Key Stage 2 children) or (6pm where children are booked into After School Care) are reminded to telephone us if they are going to be delayed.

4.3 For children who are not collected at the expected time, the following procedure will be implemented: -

- Staff will check with the Reception/answer phone and/or the Out of Hours Care Worker to see if any messages have been received;
- Staff will call the parents on given contact numbers, if no one is available on these numbers, call the emergency contact numbers; efforts to be repeated if initially unsuccessful;
- During term time, contact shall be made with the Head of Junior School. During Holiday periods, contact should be with the Out of School Care Manager whose Contact details may be found at Appendix 1;
- If the child has still not been collected 2 hours after the appointed time, and no contact has been established with the parents or emergency contacts social care may be advised that a child in their care has not been collected. Advice and guidance will be sought with regards to next steps. It may be that social care have to make overnight arrangements for the child and that they endeavour to contact the parents, if necessary liaising with the police. The child may remain at the School for the remainder of the school day until 6pm whilst arrangements are made;
- Contact should be made with the social care team for the area in which the Child resides, asking to speak to the duty worker. Contact details may be found at Appendix 2;
- Two members of staff must remain with the child at all times. Under no circumstances will staff go to look for the parent/carer, nor will they take the child home with them;
- A full written report of the incident will be recorded in the child's file and parents may be invited to attend an interview to discuss the incident with the Junior Head or Deputy Designated Safeguarding Lead. Safeguarding procedures will be followed as appropriate as per the School's Safeguarding and Child Protection policy;
- Depending on circumstances, the School reserves the right to charge parents for the additional hours worked by staff.

5 Procedure for Uncollected Children – Senior School

5.1 In the case of senior school students the following procedures will be adopted:

- If the student is not collected within half an hour of the scheduled collection time, the School will call the contact numbers for the parent or carers. If there is no answer, the Teacher on Duty or member of SMT on Duty will begin to call the emergency numbers for this child. During this time, the student will be safely looked after;
- If there is no response from the parents' or carers' contact numbers or the emergency numbers within a one hour period the Teacher on Duty or member of SMT on Duty will contact the social care duty officer on 01275 888 808. Social care will make emergency arrangements for the child and will arrange for a visit to be made to the child's house and will check with the Police. A full written report of the incident will be made.
