1 Introduction

The Governing Body and Senior Leadership and Management Teams of Sidcot School recognise their responsibilities for safeguarding. Safeguarding is at the forefront of all the School's operations. Being aware of students' whereabouts is an essential element of safeguarding.

2 Scope

This staff policy applies to the Senior School including boarding– a separate policy applies to the Junior School. This policy is available on the School's website and virtual learning area (Firefly) and all teaching and residential staff with pastoral responsibilities, are expected to be familiar with its terms and implement the policy accordingly.

3 Aims

This policy aims to set out clear arrangements for the supervision of students in the Senior School, including boarding.

4 Arrangements

4.1 All day students are deemed to be in the care of Sidcot School from the time they arrive on site until they leave or are collected.

4.2 Boarders are under the School's care at all times either directly or indirectly, except when in the care of a Guardian, or other person approved the parents. Where leave has been granted, e.g. weekend leave, day leave for interviews/open days etc, written permission will be sought from parents/guardians. In the case of weekend leave or any overnight stay; a handover of the duty of care to a responsible adult is established and all arrangements and permissions are done in writing.

4.3 Students book into after-school events and activities using SchoolsBuddy. This information is then used to produce registers for prep, after school activities and attendance at tea. Duty staff and those taking activities will check the attendance of students and report any absences to the Duty Team Leader and the SMT on duty, who will follow up any absences.

4.4 A member of SMT is on duty at weekends and they will respond and help with any issues or absences.

4.5 In the event of the fire alarm sounding during after school provision (between 1600 and 1800), each activity has been allocated a fire line number. It is the responsibility of the activity leader to register students. Between 1600 and 1700 Boarders, who have signed into their House, follow the Boarding House Fire procedure.

4.6 Senior School students are supervised by the following staff at various times during the day:

8 Child Protection and Safeguarding

8.1 If a student is noted to be missing from the School site, the missing children procedures (policies 2.1 (Child Protection and Safeguarding) and 1.2 (Missing Children) will be followed. A child going missing from education is a potential indicator of abuse or neglect. Children who go missing may be at potential risk of abuse including child sexual exploitation, radicalisation, travel to conflict zones, female genital mutilation and forced marriage.

8.2 If there are any such concerns, the child protection procedures will be invoked as per the policy 2.1 (Child Protection and Safeguarding). All staff should be aware of this, noting the issue on MyConcern and liaising directly with the DSL or social care where appropriate.

9. Review

This policy will be reviewed annually, by the DSL and the Pastoral Group, or sooner if change to practice, legislation or incident dictate.
