1. Introduction

1.1 The Governing Body as Charity Trustees, and Senior Leadership Team of Sidcot School fully recognise their responsibility to create opportunities for the wider community to make use of the School facilities. This not only brings in additional income, but also has potential to open opportunities to students of the School to engage in additional activities beyond those offered directly by the School.

1.2 In order to maximise the use of its facilities and resources, and to broaden its community involvement, Sidcot School has an established programme of letting of its facilities and accommodation both in term and holiday time, to facilitate further education or activities in accordance with the School's ethos and Quaker beliefs.

1.3 Child protection is at the forefront of all our operations, and our responsibilities are first and foremost to ensure the safety of all students and children on School premises.

1.4 Challenging extremist beliefs is a part of child protection, and when hiring the facilities, the School assess whether any organisation presents a risk of terrorism or promoting extremist beliefs under the Prevent Duty.

2. Scope

2.1 This policy applies to any person or organisation wishing to hire any of the School's facilities.

2.2 This policy is available in hard copy form when a request is made to hire the facilities. It is available on the School website and in hard copy form.

3. Aims

3.1 This policy aims to outline which facilities the School hire out and how the process is controlled; both from the perspective of ensuring the safety of those hiring the facility, and from ensuring the safety of all children on School premises.

4. Facilities for Hire

4.1 The Operations Manager, Sports or arts centre administrators, administrate the booking of facilities for hire.

4.2 Sidcot School hires its facilities to the wider community when and where it is deemed appropriate within the discretion of the Operations Manager or Sports Centre administrator. The circumstances of a particular hiring will depend on factors including the purpose of hire and its audience and whether these accord with the School's ideology and charitable purposes, whether the School is in session, and whether the facility in question will be in use by students.

4.3 The facility specifications and rates can be found on the School website: Before the formal acceptance of a booking the School will require the completion of the following booking document:

i) Booking Schedule which acknowledges the Terms & Conditions of Hire of the School premises (Appendix 1)

4.4 The booking will only be confirmed on accepting and satisfying the conditions by the signing of the Booking schedule by the organiser.

5. Vetting Checks

5.1 In all cases a risk assessment will be undertaken to determine whether the activities proposed will constitute regulated activity as defined by the Safeguarding Vulnerable Groups (SVG) Act 2006. Where the School determines that the Organiser, or its staff will be undertaking 'regulated activity'; the School will require the Organiser and relevant staff to complete all relevant checks, as detailed by Appendix 1 – Terms and Conditions of Hire. This will need to be discussed with the Operations Manager or HR Administrator at the time of booking and completed in advance of the date of hire to the School's satisfaction.

5.2. In all other cases the School's risk assessment will determine what control measures will be put in place by the Organiser, which could include something as simple as 'supervision'.

5.3 Checks will not be necessary where the facility is self-contained, and students will not be present or have access to it. This will form part of the [risk assessment](#).

6. Dispute Resolution

6.1 If a dispute arises out of or in connection with the Hire Contract, the parties will, following a written request from one to the other, attempt in good faith to resolve the dispute:

- a. through discussions between the Operations Manager, and / or the Operations Director and the Organiser's Representative failing which;
- b. through an alternative disputes resolution process through a certified body approved by the School.

6.2 The School's right to issue proceedings is not prejudiced by a delay where other party has failed to participate in the discussions to resolve the dispute in a timely manner.

6.3 The Director of Operations or staff nominated by them are available to discuss any issues that may arise from the hire of the facilities.

7. Induction Procedure

7.1 A leaflet will be provided upon the Organiser signing the contract, setting out the essential information about health and safety, and facilities.

7.2 When the Organiser arrives on site; they will be provided with either a visitors' identification badge or sticker (in the case of those undertaking sports facilities) which must be displayed at all times in public areas.

7.3 Each visitor must sign in, either at reception, the arts centre or at the Sports Centre.

 - a check of their full employment history with any gaps explained to the School's satisfaction
 - Checks to confirm that there is no risk to School in terms of it fulfilling its legal duty to have 'due regard to the need to prevent people from being drawn into terrorism (the Prevent duty). This may be comprised of an internet search, such as a Google search
