1. Introduction

1.1 It is the intention of Sidcot that every visitor is treated with courtesy and respect, made to feel welcome whilst on the premises whilst also being protected from potential health & safety hazards. It is also the School's intent that every student is kept safe from harm – safeguarding students is everyone's responsibility. This policy is designed to value all visitors whilst simultaneously safeguarding students.

1.2 The School is under a statutory duty under section 26 of the Counter-Terrorism and Security Act 2015, in the exercise of their functions to have "due regard to the need to prevent people from being drawn into terrorism". This policy aims to set out how the School discharges this duty with regard to visitors and visiting speakers.

2. Scope

2.1 This policy is relevant to the whole School community, including the Early Years, Junior School, and Senior School, including boarding, and applies where anyone wishes to introduce a visitor, or visiting speaker to the School. A separate policy applies to adult visitors staying in staff residences attached to boarding houses.

2.2 Where a person is invited on site to undertake work, they are likely to fall within the contractors or temporary worker's category (and should be risk assessed accordingly – please refer to the supervision of staff policy 9.27 and accompanying risk assessment). However, a person coming to the School to provide a quotation or discuss possible future works is likely to fall within the scope of a visitor.

2.3 A separate procedure applies to volunteers and policy 9.14 will apply together with accompanying risk assessment.

2.4 This policy is available on the School's internal website and available free of charge in hard copy form. It may be made available in large print if so required.

3. Aims

3.1 The aims of this policy are to:

- Safeguard the School community,
- Ensure the safety of visitors,
- Discharge the School's duties under Prevent whilst ensuring that all visitors are treated equally irrespective of their race, colour, religion or belief, national, ethnic or social origin, gender, gender reassignment, sexual orientation, pregnancy or maternity, disability or special educational needs,
- Ensure that all staff are aware of the procedures when a visitor is invited on site.

4. Procedure for Visitors

4.1 Due to Covid-19, visitors are discouraged from coming to the school site as per the Covid-19 Action Plan. Those who do have permission to come onto school site are required to follow our Covid-19 Action Plan.

The procedures below reflect the school's practice pre Covid-19 and will be resumed as soon as it is safe to do so.

4.2 **ALL** visitors will be required to adhere to the following procedure at all times:

- Upon arrival, visitors must report to either the Junior or Senior School's Reception. Visitors to the Arts or Sports Centre, sign in at the respective receptions. Contractors generally will report to the Facilities Office in Meeting House Bungalow on occasion they may report directly to other departments such as Sports Centre or Equestrian Centre.
- State who they are and sign the Visitors' Book and provide a contact number
- Have the signing out procedures clearly explained to them by the reception staff.
- Be issued with, and clearly display at all times, a Sidcot Visitor's Badge during their visit to the School. This does not however apply to the sports centre due to the nature of the activities – visitors are closely supervised.
- Be issued with a visitors' information leaflet (attached to the visitors' badge) which will explain the fire safety and evacuation procedures, facilities and safeguarding matters (amongst other matters).
- Be collected by the staff member that s/he is visiting.
- Be accompanied by a member of staff at all times and be the responsibility of that member of staff whilst on the school premises, supervised in line with outcomes of the risk assessment.

4.3 Visitors outside of office hours are expected to be by appointment only and appropriate reception arrangements must be made by the House on Duty or Teacher on Duty.

4.4 Staff admitting a visitor must:

- Notify Reception that a visitor is expected with details of date and time prior to their arrival;
- Arrange to meet the visitor at reception and accompany them at all times during their visit;
- Ensure students are not left alone with visitors unless the students are also classed as an 'employee';

Ensure their visitor signs out on departure and take responsibility for the movement of the visitor during their time on the school premises.

4.5 **All staff in dealing with visitors on campus must understand that they are, by admitting a visitor through any door other than the main door to the School and directing the visitor to Reception, taking personal responsibility for ensuring that the visitor's details are recorded in the visitors' book. Particular attention must be paid to this rule if the visitor is not personally known to that member of staff.**

4.6 Notwithstanding the above; staff may enter details for a visitor if they know the visitor and their stated purpose to the School to be correct.

4.7 If the visitor is not recognised, and the purpose of their business is unknown to the member of staff, they will:

- Establish the identity of the visitor (if appropriate by asking for identification)
- Escort them to Reception to follow the visitor's procedure as set out above.

4.8 It is the duty of all members of staff to immediately report to a member of the Senior Management Team the presence of any suspicious persons on campus and to ensure they can provide the best description they can of the individual/s in such instances.

4.9 Unless agreed with a member of SLT and for a legitimate purpose, no visitor (with the exception of parents) shall take images of the students / children.

4.10 Parents are able to take pictures of their children in accordance with the guidelines set out in the Digital Safety Policy (12.1).

4.11 It is the responsibility of ALL employees to verbally and respectfully challenge any unrecognised individual on the school premises who is not wearing a Visitor's Badge or Staff I.D card.

4.12 Students accompanying visitors

4.12.1 There will be occasions when the Headmaster, Junior Head, or Deputies can approve that Sixth Formers conduct tours of the school to specific visitors such as job candidates, prospective parents, Quaker visitors etc. Such visitors will still follow the usual signing in procedures, and will be issued with a badge.

4.12.2 On Open Days, when students conduct tours of the School to prospective parents, they will do so in groups of no less than two. Students will be briefed in advance regarding safety procedures, and staff will be readily available. This activity has been risk assessed. All such visitors are registered and all the tours with Year 9 students follow a strict route around the School where other staff are present. A pre-arranged meeting point is also made known to students.

4.12.3 The School will keep a written record of reports and details of any visitors not adhering to this policy and will decide on appropriate action (report to other schools, the police and alert all staff) in such an event.

4.13 In the event that a parent collects a child from a remote area from the school, such as the main playing fields, staff will ask the parent to confirm their identity if they are not recognised by the member of staff and in the case of junior school pupils, provide the child's date of birth – please refer to policy 2.10a – Supervision of Junior School Children. The parent must make arrangements in advance to pick up the child so that staff are aware, but does not need to sign in at Reception if this is not practicable.

5. The Hub

5.1 Parents of students and members of the School community are welcome to visit the Sidcot Hub to purchase refreshments and to meet each other. Access to the Hub is gained via signing in at reception and identifying themselves. When accessing the Hub, all doors are controlled via electronic card reader, and therefore access cannot be gained to general student areas. All visitors to the Hub are deemed to be under the supervision of the Hub supervisor. The School reserves the right to refuse admission to the Hub.

6. The Sports Centre and Arts Centre

6.1 Visitors who are specifically visiting the Sports Centre or the Arts Centre are permitted to sign in with the supervising staff in the foyer of either location. The visitors in

both of these locations will be supervised by the staff on duty and the visitor access will be limited to that area of the School.

7. Visiting Speakers

7.1 To enhance the School's curriculum, and commitment to both Quaker and British Values, visiting speakers may be invited to talk about a relevant topic. An example of this is the "Let your Life Speak Programme."

7.2 The aim of the Prevent Duty is not to preclude students from being exposed to all political views or from discussing political issues in school as this is a necessary part of the learning journey. However, students will not be actively encouraged by teachers, visiting speakers or others to support particular political viewpoints. Sidcot is a safe space in which students can understand and discuss sensitive topics, including terrorism and the extremist ideas that are part of terrorist ideology, and learn how to challenge these ideas.

7.3 The School is alert to the fact that some of the topics which may be discussed may at times be political and thought provoking in nature, but care will be taken by the person inviting the speaker to ensure that all opinions expressed are balanced.

7.4 Open discussion is always encouraged, and members of the wider community may be invited to attend where appropriate.

7.5 At the time when it is envisaged that a visiting speaker may be invited; consideration will be given to which checks should be undertaken. Such checks may include references or internet searches as appropriate. A visiting speaker's identity will always be checked, and this needs to take the form of official photographic identification; for example, passport or driving licence together with evidence of address – for example utility bill. These checks will be discussed between the person inviting the visitor and the HR administrator in advance of the person attending the School. In appropriate cases checks will be recorded on the SCR.

7.6 All visiting speakers will be appropriately supervised in keeping with the [risk assessment](#), by the staff member inviting them on campus.

8. Contractors

8.1 It is inevitable that it will be necessary to bring contractors onto the school site whilst there are students present. In order to ensure the safety of students at all times the attendance on site by contractors to undertake specific tasks will be risk assessed by the member of staff liaising with the contractor. The outcome of the risk assessment will define how the contractor will be required to be supervised.

9. Use of School's IT System and Wi-fi

9.1 Visitors are able to access the visitors' wi-fi via a pass–phrase available from reception. However, visitors will need to read, accept and sign the terms of the Visitors' Acceptable Use Policy, which is available from Reception.

10. Review Cycle

10.1 This policy is the responsibility of the Director of Operations and the Deputy Head (Pastoral) who is also the Designated Safeguarding Lead and Prevent Duty Co-ordinator.

10.2 This policy will be reviewed every year or sooner at the Annual Safeguarding Review, if incident, or change to legislation or practice dictates by the Board of Governors.
