YEARS
10/11**

1. Eswatini Trip - We have eight Year 10 students signed up for next summer's trip to Eswatini. We need four more students for the trip to go ahead.

2. Tall Ships Week (Year 11) - We have four spaces for male students left on the Year 11 & Year 12 Tall Ships week starting on 1 July. The cost of the trip is £450.

3. Year 10 Work Experience, 27th – 1st July 2022 - All Year 10 students are expected to take a week of meaningful work experience or volunteering during the dates above. It is a great experience and one we are really delighted to be running again in 2022. Lots of students have been successful in securing placements, however, placements are filling up quickly. All students have had access to a 'Finding Your Placement Guide' and support from myself and the Year 10 tutor team. They are expected to find a placement themselves, however, we also partner with Careers South West Ltd (CSW), which has a work experience database known as Veryan which the students can use to search for placements.

Once the students have found and confirmed a placement with an employer we request that you fill in a Sidcot Parent and Student Work Experience Microsoft form. The form asks for your consent, the placement details, and a student health declaration. **The deadline for this submission has passed.**

The deadline is in place to allow the school sufficient time to process the placements including contacting the employer to request their insurance details and sending information to CSW in order for around 95 pre-placement checks to take place before June. Unfortunately, if we submit forms less than 8 weeks before the placement date, we are charged a late fee (£20) by CSW, which ultimately we have to pass on to parents. It is in everyone's best interest that forms are returned as soon as possible. A big consideration for students is how they will get to the placement, thinking about sectors they would like to learn more about, and contacting employers.

Your help and support for this opportunity is greatly appreciated. If you need any further assistance with finding a placement or have questions, please don't hesitate to get in touch. If you would be able to offer this valuable opportunity to another student to join your business please let me know. With kind regards, Alison Pike - Head of Careers
