<ol style="list-style-type: none"> <li><b>PASS</b> - Attached is a copy of the Spring Term 2 PASS activities booklet. All students have been sent an electronic copy of the PASS activity booklet to their school email address and on Teams. Students will have an opportunity to discuss the PASS activities during tutor time and with their friends. Bookings opened on Wednesday 2<sup>nd</sup> February and close on Friday 11th February. We strongly advise students to choose a different activity each half term to give other students an opportunity and to ensure they participate in a range of activities.</li> <li><b>Sports Fixtures - Appropriate Clothing</b> - It has been apparent that some players are arriving at a fixture with clothing that is inappropriate. It is important that to go to a fixture both at home or away, players wear tracksuit bottoms and a warm top (and jacket if needed) with the kit for the match underneath. Players can warm up in the outer layers then take them off to play. The outer layers can be put back on if they are waiting to play on the sidelines to stay warm and ready to return to play.</li> <li><b>Sports Fixtures - Keep organised</b> - Reminder that now we are back into full flow with sports matches, fixtures and festivals it's important that players keep a close eye on the sports fixtures pages. We call this SOCS! We would like to encourage parents to nudge their children to check weekly. The reason we have SOCS is to ensure the students take ownership over their participation in sports matches. If they are a player/squad member, they should know when the matches are, what time to meet and what to bring. All of these key details are on SOCS. To access SOCS - go to: <b>sport.sidcot.org.uk</b> on your mobile device - Find the 'share' icon on your device – click 'Add to Home Screen' - An app will appear on your home screen to access SOCS easily.</li> </ol>	<ol style="list-style-type: none"> <li> <a href="#">A4 PASS Leaflet-Internal.pdf</a></li> <li>Visit the School website for uniform guides or to shop online <a href="https://www.sidcot.org.uk/uniform">https://www.sidcot.org.uk/uniform</a></li> </ol>

above. The students have access to a 'Finding Your Placement Guide' and support from myself and the Year 10 tutor team, however, your support is invaluable as they are required to find the placement themselves. Once the students have found and confirmed a placement with an employer we request that you fill in a Sidcot Parent and Student Work Experience Microsoft form, please see attached. The deadline for submission is Friday, 25th March 2022. Should you have any questions, please don't hesitate to get in touch.
