

COVID-19 Update

Thank you to everyone who has carried their lessons bookings forward to the Autumn term, we're very grateful for your support. We're awaiting the release of Swim England's guidance for reopening pools, this is due to be released on the 15th June. Once this has been received we can start to plan our reopening, but will only be doing so when we feel it is completely safe to do so. We appreciate your patience, and we will update you as soon as we have any news. We're looking forward to getting back to what we love.
